Preface And Foreword

PREFACE

HISTORY

This Workforce Demographics Report replaces the January 15, 2006 report. It identifies the job groups and race/sex groups to be considered as placement goals in the Governor's Affirmative Action program. This report is distributed pursuant to AS 39.28 and applies to the Executive Branch of state government.

JOB GROUP STATISTICS

Where an agency has 40 or more positions in a job group, placement goals are based on *departmental workforce* statistics, identified in this report as (D). Where an agency has fewer than 40 positions in a job group, placement goals are based on *statewide workforce* statistics, identified in this report as (E).

DISTRIBUTION

This Workforce Demographics Report is issued quarterly in January, April, July and October. Reports are distributed to the recruitment section of the Division of Personnel, the Human Resources Offices of the Office of the Governor and Legislative Affairs, and to the Alaska State Library. It is also posted on the Division of Personnel's Web page at: <http://dop.state.ak.us/index.php?id=216>

FULL-TIME, PART-TIME AND SEASONAL POSITIONS

Separate sections of this report address full-time, part-time and seasonal position vacancies. Nonpermanent and emergency positions are not addressed.

IDENTIFYING JOB GROUPS

The class code index located in the last section of this report identifies the affirmative action job group for each covered state job classification.
